

OptiServ Hybrid® Roll Towel Dispensers

The unique OptiServ Hybrid® roll towel dispenser offers the benefit of electronic touch-free dispensing, as well as the convenience of hands-free mechanical dispensing when desired. To operate the dispenser, either wave to activate the sensor or pull the slightly exposed towel. The OptiServ Hybrid® delivers a pre-measured 11-inch towel to

discourage waste. This versatile dispenser is ideal for public restrooms, food preparation areas, office buildings, and healthcare facilities where cross-contamination could be a concern. The OptiServ Hybrid® is available in five color choices and can be custom-imprinted for a unique, coordinated washroom appearance.

optiCORE®

Wausau Paper's patented OptiCore® technology reduces maintenance time and costs.

The OptiCore® technology, combined with our Revolution® and Dubl-Serv® dispensing systems, ensures maximum use of each roll in the dispenser before advancing to the next roll. This "controlled-use" reduces product waste and cost.

OptiCore® technology offers a two-part core for controlled-use and more than a 25% reduction in core material for more environmentally preferable packaging. The high sheet count offers maximum capacity and reduces maintenance time.
