SAVE MONEY ON PAYROLL NOW & LATER*

Unistar Purchasing Solutions customers save time and money by processing their payroll with PayChoice, the preferred payroll service provider of Unistar.

Now, for a limited time only*, new customers receive their first month of payroll processing for free (Save Now) and get free W2s at the end of the year, plus no set up fee for time and attendance (Save Later), as long as you run payroll by December 7th, 2011.

This is above and beyond the preferred pricing you receive from PayChoice as a Unistar Purchasing Solutions customer. You can lower your payroll processing expenses up to 40% with Unistar's contract pricing with PayChoice.

Included in the Unistar contracted rate is:

- Direct Deposit
- Tax Administration
- HR on Demand
- No Set Up Fees

What really makes PayChoice stand above the competition is their commitment to service. PayChoice assigns a client service representative to your account, someone who will understand you and your payroll needs.

*First payroll must be run by December 7, 2011.
